New Branch Manager in Oklahoma for Hunton Distribution

Charlie Hunton, President and General Manager of Hunton Distribution, is pleased to announce that Craig Becker has rejoined the Hunton Group as Branch Manager for the Oklahoma City territory. "Craig served as the OKC Trane manager from 1983-1986. In 1991, he became president of Hunton Distribution and retired in 2015. Craig's leadership was instrumental in the large growth Hunton experienced during his tenure. We're pleased to have Craig rejoin the team at Hunton Distribution!" -Charlie Hunton

###

About Hunton Group

The Hunton Group, founded in 1981, is a conglomerate of synergized companies delivering energy efficient HVAC products and systems; factory certified service; turn key financial solutions and advanced building integration and control systems. Hunton Distribution is one of Trane's largest global residential distributors.
