

TITAN HD[®] USA-MADE MOTOR RUN CAPACITORS

Longevity you can count on; craftsmanship to be proud of.

Titan HD[®] capacitors are built to the toughest international standards and meet all industry regulatory approvals.

Titan HD[®] capacitors are rated for 60,000 hours of operating life with a 94% survival rate when operated at the rated voltage, 60Hz, and temperature.

We keep over 25 models in stock at a great price to ensure you always have the capacitors you need to get the job done.

TURBO 200 CAPACITORS

RELIABLE PERFORMANCE

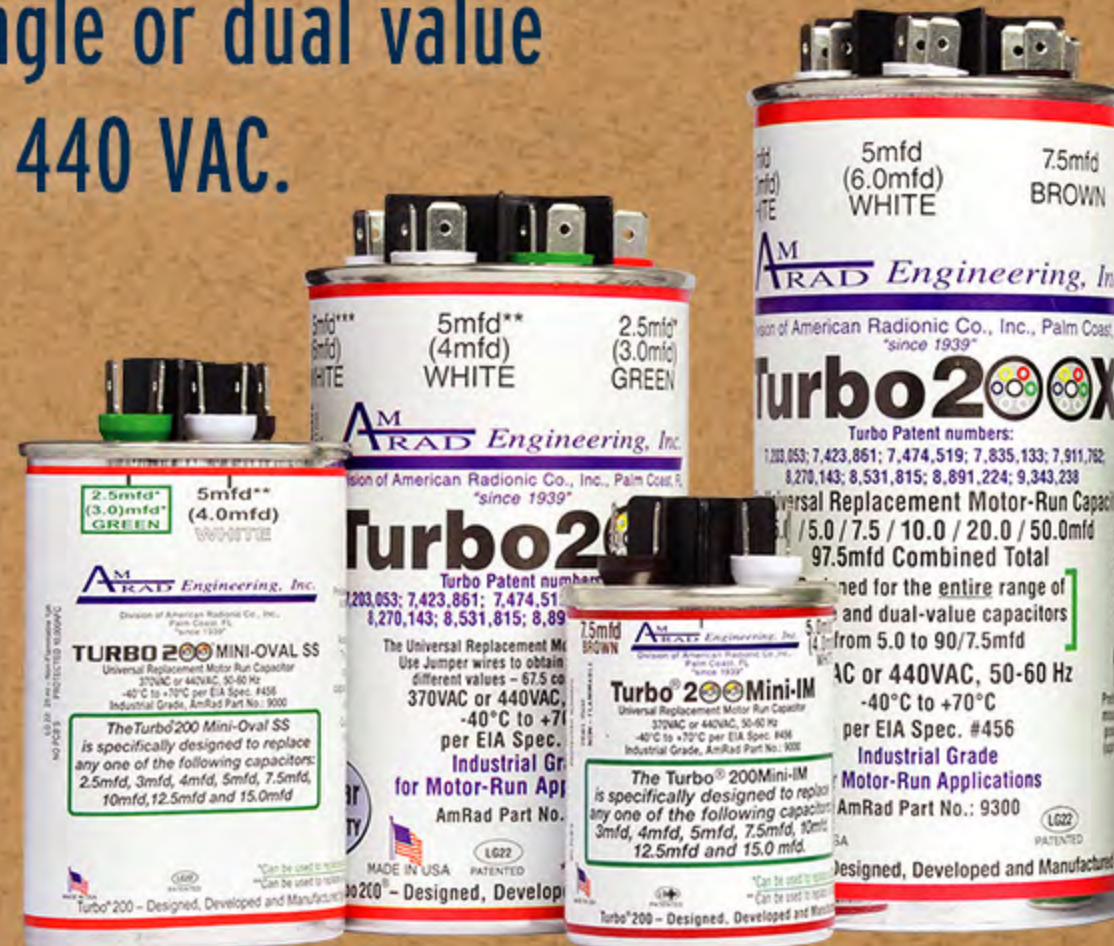

The world's first universal line of multiple tapped, oil-filled, metal can, motor-run and motor-start capacitors, eliminating the need to inventory more than 200 individual single or dual value capacitors with a voltage rating up to 440 VAC.
