

THE VALUE BRAND DESIGNED TO PERFORM AND BUILT TO LAST.

MANUFACTURED WITH YOUR BUSINESS AND BUDGET IN MIND.

For decades, Trane has been the go-to source for high-end, reliable engineering. While we pride ourselves on this fact, we also know that not every builder and not every homeowner needs or wants all the bells and whistles.

That's where RunTru by Trane comes in.

RunTru is just what you need—a dependable Trane product, but at a price point that makes it an answer for any type of home. This new product is also **assembled in Trane's U.S. factories** with the full support of the Trane brand behind it, meaning it'll last longer and result in **fewer call-backs**.

- ✓ Easy-to-install, dependable solutions at competitive prices
- ✓ Trane-backed engineering excellence that's superior to other low-cost HVAC alternatives
- ✓ A single-source solution for virtually every repair and replacement situation
- ✓ Hassle-free warranty options | **NO REGISTRATION REQUIRED**

20 year | Gas heat exchanger** • 10 year | Compressor & coil (indoor/outdoor)** • 5 year | Limited functional parts**
