

Spring Ahead

DEALER PROMO

MARCH 1ST - MAY 31ST

TAKE ADVANTAGE OF
STACKABLE CONSUMER REBATES

Purpose: To provide a compelling reason for TCS dealers to offer all available rebates to consumers considering the purchase of Trane equipment.

Program: During March 1 – May 31, 2024, this plan may, at Hunton Distribution’s discretion, be activated to provide an additional rebate bonus for dealers who participate.

SELL BY: March 1 – May 31, 2024
FINAL INSTALL BY: May 31, 2024
FINAL SUBMISSION BY: May 31, 2024

Dealer Participation: During the Program Sell Period, dealers must offer the consumer the three available rebate plans and file claims for the three plans to receive a **\$500** per system additional bonus!

The three rebate plans are: Trane National Consumer Plan, Hunton Consumer Enhancement Plan, and the Centerpoint or Entergy Utility Rebate Plan. In certain areas where no available utility rebate plans exist, those dealers will receive the rebates for utilizing only two rebate plans at Hunton’s discretion.

Eligible Systems:

Product Category
XV20
XV18
XV17, XL17i & XL18i
XL16i, XR16 two stage and XR17

**Must be an AHRI Rated System (condenser/heat pump and furnace/AH)
 T-Stat should be appropriate for AHRI system.**

Administration: Invoices must be emailed to tranerebate@huntingroup.com after install but no later than May 31, 2024. No Spring Ahead Rebate bonus will be given, or any exception made for late entries.

CLAIM TO PLAY EXTENSION – Submit at least 12 claims during the Sell By Period to be eligible for an extension worth \$250 per system when this program ends. Look for new program details and guidelines coming soon.

Termination: Hunton Distribution reserves the right to cancel or modify this sales plan at any time.
